

LEXMARK X560N GARNERS MORE ACCOLADES WITH BUYERS LAB HIGHLY RECOMMENDED RATING

LEXINGTON, KY. – 04/29/2008

Lexmark International, Inc.'s (NYSE: LXX) [X560n](#) color laser multifunction product (MFP) has received a Highly Recommended rating from Buyers Laboratory Inc. (BLI), a leading printer and multifunctional testing laboratory.

Recognized for its productivity, value and ease of use, the Lexmark X560n earned an "Excellent" or "Very Good" rating in most of BLI's evaluation areas.

"A desktop color multifunction printer targeted to small and mid-size workgroups, the Lexmark X560n proved to be a strong overall performer during BLI's two-month lab assessment," said BLI. "With a manufacturer-rated speed of 20 pages per minute (ppm) for color and 31 ppm for black, the Lexmark X560n offers good overall productivity and a very good feature set for a competitive price."

At an estimated street price of \$999*, the Lexmark X560n is designed for business workgroups that need to elevate their office productivity with professional color printing, copy, scan and fax capabilities. For example, businesses can quickly and affordably print professional color presentations, brochures, invitations, labels and signage in-house with the Lexmark X560n, reducing the hassle and expense of outsourcing documents to a local copy shop.

The Lexmark X560n comes standard with networking so it can be easily shared by multiple users. It also does quadruple duty as a printer, copier, scanner and fax to help customers reduce energy consumption and costs associated with supplying and maintaining multiple devices.

"The X560n is the perfect solution for workgroups that want to boost their productivity and affordably bring the brilliance of color to their business," said Marty Canning, Lexmark vice president and president of its Printing Solutions and Services Division. "We are proud to receive this honor from BLI and add to the recognition for our newest color laser MFP."

The Lexmark X560n has also received a Four-Star, Highly Recommended rating from BERTL and was named a Better Buys for Business Editor's Choice award winner.
