

Lexmark Wins Best Mobile Technology Award from OC Tech Alliance

LEXINGTON, KY

- Lexmark International, Inc., a global technology leader, announced today that it has been named recipient of an OC Tech Alliance High-Tech Innovation Award which honors innovation and ingenuity in technology developed in Orange County, CA.
- Lexmark's Kofax Mobile Capture™ Platform was recognized in the Mobile & Wearable Technology category for its ability to transform smartphones and tablets into information capture devices.
- Lexmark received the notable distinction for the company's mobile technology innovation that enables organizations to simplify and transform the First Mile™ of customer engagement, improve operational efficiency and grow revenues.

Supporting Quotes

"The mobile marketplace is evolving quickly and Lexmark is leading the way with technology that turns mobile devices into information capture devices," said Reynolds C. Bish, vice president of Lexmark and president of Lexmark Enterprise Software. "It's gratifying that OC Tech Alliance recognizes Lexmark's innovation in enabling customers to initiate and conduct business when they want, where they want, and how they want."

"We're pleased to recognize Lexmark and the other finalists in the Mobile & Wearable Technology category at the 2015 High-Tech Awards ceremony," said Peter Craig, CEO, Orange County Technology Alliance. "Outstanding innovators and companies such as Lexmark represent the finest of Orange County. Our tech community has a bright and exciting future."
