Supporting Quote

“This year’s Inspire award winners clearly demonstrate how Lexmark’s broad capabilities can be leveraged in a variety of important vertical markets to automate processes, improve the customer experience and provide significant competitive advantage,” commented Reynolds C. Bish, vice president of Lexmark and president of Lexmark Enterprise Software. “We congratulate all of our winners for their successes in implementing our products and solutions to simplify the First Mile of customer engagement and speed digital transformation.”

About the Lexmark Enterprise Software Conference

Inspire is the Lexmark Enterprise Software annual user and partner conference. The event features a wide range of experts from industry-leading organizations who share how they've transformed their businesses using Lexmark Enterprise Software. Many of the conference sessions are delivered by customers who share real-world best practices in implementing solutions that include information capture, content management, process automation, analytics, mobile, data integration, e-signature and customer communications management.

About Lexmark

Lexmark (NYSE: LXX) creates enterprise software, hardware and services that remove the inefficiencies of information silos and disconnected processes, connecting people to the information they need at the moment they need it. Open the possibilities at www.lexmark.com.
