

Lexmark makes addressing envelopes easy on its touch screen printers

New Envelope Wizard SmartSolution offers quick print on multiple sized envelopes

Lexington, Ky., May 16, 2011 - Lexmark International, Inc. (NYSE: LXX) a leading global provider of imaging products, software, solutions and services, today announced the new [Envelope Wizard SmartSolution](#) that allows small and medium businesses (SMBs) to quickly and easily address envelopes from the touch screen of a Lexmark Web-connected all-in-one (AIO) printer.

Lexmark helps businesses save time and money by offering workflow solutions that remove steps. For example, with Envelope Wizard, you can enter and save your return address to simplify the process. Then you easily enter the destination address, choose the envelope size and print. There's no need to use or even turn on your computer.
