

New Lexmark Basecamp SmartSolution offers business users quick access, printing of project management data

NEWSBYTE, Aug. 31, 2011 - Lexmark International, Inc. (NYSE: L XK) today announced a new [Basecamp SmartSolution](#) that enables business users to view and print data from Basecamp, an online project management tool. Users can view and print project information, such as milestones and contacts, directly from a Lexmark all-in-one (AIO) touch screen printer – no computer necessary.

Lexmark's new Basecamp SmartSolution enables:

- Direct access to Basecamp data from Lexmark's AIO touch screen
- Simple set up with optional PIN access to secure data
- Viewing and printing of all project data from Basecamp including messages, to-do lists, contacts and milestones
