

New Lexmark MapQuest solutions make navigation in the sea of business travel and traffic quick and easy

NEWSBYTE, Oct. 5, 2011 - Lexmark International, Inc. (NYSE: LXX) today announced [three new MapQuest SmartSolutions](#) that make printing directions, traffic information and locating nearby points of interest easy and quick, directly from a Lexmark all-in-one (AIO) touch screen printer.

[Benefits](#) of Lexmark's three new MapQuest SmartSolutions include:

- MapQuest: Enables users to find and print a map and directions to most anywhere in the world directly from the Lexmark AIO; no need to turn on your computer.
- MapQuest Traffic: Allows you to view and print traffic conditions before you head off to that big meeting.
- MapQuest Concierge: Enables small business owners, like a bed and breakfast, to set up a station where guests can use the "Concierge" to look for restaurants or nearby attractions - without having to pay staff a concierge position. Guests can then quickly print directions to the destination.
